

GLOBALAGRI

COMMODITIES

Connecting harvests to markets, reliably and responsibly

Company Profile

An international agricultural commodities trading company specializing in grains, feedstuff, pulses, oilseeds, rice, sugar, and coffee, serving industrial buyers, traders, and food manufacturers worldwide.

Our Core Commodities

Grains:	Wheat, corn, barley for food and feed applications
Feedstuff:	Protein-rich feed ingredients for livestock and aquaculture
Pulses:	Beans, lentils, chickpeas, and peas from key origins
Oilseeds:	Soybeans, sunflower seeds, rapeseed, and related products
Rice:	Long-grain, medium-grain, and specialty varieties
Sugar:	Raw and refined sugar for industrial users
Coffee:	Green coffee from major producing regions

About GlobalAgri Commodities

GlobalAgri Commodities is an international trading company focused on agricultural raw materials. We connect producers, exporters, and industrial buyers through disciplined risk management, robust logistics, and transparent communication.

Our team brings deep experience across grains, feedstuff, pulses, oilseeds, rice, sugar, and coffee markets, serving clients across Europe, the Middle East, Asia, and Africa.

What Sets Us Apart

Reliability

Long-term relationships with producers, exporters, and logistics partners ensure consistent supply and execution.

Risk Management

Structured contracts, hedging strategies, and disciplined execution to protect both sides of the trade.

Compliance & Integrity

Aligned with international standards on quality, documentation, and sanctions compliance.

Global Presence

Our network spans key origination and destination markets across multiple continents:

- Geneva, Switzerland (European HQ & Trading)
- Dubai, UAE (Middle East & Africa)
- Singapore (Asia-Pacific)
- Nairobi, Kenya (East Africa)
- Sao Paulo, Brazil (South America origination)
- Kyiv, Ukraine (Black Sea origination)
